

## Georgia Chapter of the American Fisheries Society

### Sponsorship Form

Virtual Annual Meeting January 19 - 21, 2021

Richmond Hill, Georgia

---

The Georgia Chapter of the American Fisheries Society (GAAFS) is an organization of fisheries professionals dedicated to the promotion of sound fisheries science and professional development. Each year, fisheries professionals and fisheries students from around the state gather at the Georgia Chapter AFS annual meeting to share their research and ideas and learn about the latest and greatest advancements in fisheries science, research, and management. Collectively, this group contributes to the wise use and management of aquatic resources in one of the most biological diverse regions of our nation.

Our sponsors are critical to the success of our annual meeting and our efforts to promote fisheries science in Georgia. The financial support provided is used to support the Chapter's annual meeting, subsidize student registration cost for our annual meeting, and assist with our public outreach efforts to educate children about the value of Georgia's aquatic natural resources.

Sponsorship Levels: Visit our website for more information about our sponsorship benefit packages.
