

Georgia Chapter of the American Fisheries Society
Raffle and/or Silent Auction Prize Donation Request Form
Annual Meeting February 1 – 3, 2022
Villas by the Sea, Jekyll Island, GA

The Georgia Chapter of the American Fisheries Society is a statewide organization of fisheries scientists, students, and professionals who are committed to the conservation and sustainability of our fishery resources and aquatic ecosystems. Each year during our annual meeting we hold a raffle and silent auction to raise money to support aquatic restoration projects, youth fishing opportunities, scholarships, and public outreach projects. Thanks to our fundraising donors we are able to provide extra support to the Go Fish Education Center classroom to purchase supplies and equipment to help them with their outdoor educational programs and fishing day camps that are attended by thousands of children each year. Aquatic outreach projects include contributing to the creation of an Aquatic Nuisance Species workbook which has been distributed throughout Georgia to be used in aquatic education programs and setting up a tent at the Georgia Department of Natural Resources Coastal Resources Division's annual CoastFest event to provide hands-on learning opportunities to teach visitors about fisheries science and the conservation of aquatic ecosystems. Other support includes providing funds to purchase supplies needed for stream restoration projects in north Georgia.

We are asking for companies and individuals to make donations for our raffle and/or silent auction. As a contributor you will receive free advertising at our annual meeting, in our monthly newsletter, on our Facebook Page, our website, Twitter, and Instagram.

On behalf of the Georgia Chapter of the American Fisheries Society – thank you for your support.
